- When you arrive for your appointment, you may check in by texting your location keyword (e.g., Sycamore, Freeport, Algonquin, McHenry, or Rockford) to our SMS number. The system will then send you confirmation messages, notify you when your provider is ready, and direct you to your room.

By signing below, I consent to receive SMS text messages from LivingRite, The Center for Behavioral Health, for appointment check-in and notification purposes. I understand that:

- Messages include check-in confirmations, provider readiness alerts, and room assignment directions
- Message frequency is approximately 1–4 messages per appointment visit
- Message and data rates may apply
- I may opt out at any time by replying STOP
- This consent is not required as a condition of receiving services at LivingRite

YES, I consent to receive SMS appointment notifications from LivingRite.
